The background of the entire image shows two people dressed as ninjas. They are wearing black jumpsuits, black hoods that cover their faces except for the eyes, and black headbands. They are standing on a white wooden railing in front of a large window with a grid pattern. The person on the left is in a dynamic pose, with arms raised and hands open, showing star-shaped finger rings. The person on the right is also in a dynamic pose, with one arm raised and the other bent. The overall scene is brightly lit, suggesting a daytime setting.
